

SOIREE R & S

The Soiree is a family of versatile suspensions for large or small spaces. Both the round and rectangular versions come in multiple sizes and 2 colours – black or the unique Delta Light Flemish Gold®. In both shapes you have the flexibility to choose for a milky-glass sphere at its center, or to opt for an exposed E26 bulb of your preference. Each Soiree ships flat to minimize packaging and carbon footprint, allowing its orbits to be spun open and arrange onsite.
